

Business Statement

Russian Iron and Steel Imports

May 2025

Fluidpower Group UK Ltd T/A Flowtech has reviewed the prohibition on the import of Russian iron and steel products processed in a third country, which came into effect from 30th September 2023.

We confirm, to the best of our knowledge, that all products in our supply chain comply with UK and EU sanctions.

We are actively collaborating with our suppliers and manufacturers and will continue to review our products to ensure ongoing compliance.

For further details on the sanctions, please visit:
